

2024 Sponsorship

SAWTELL TOORMINA NETBALL CLUB

We are a fun & friendly Club that supports participation, and encouragement, we are committed to nurturing & developing the skills of all of our players, coaches & umpires across all age groups and abilities.

We also have our Ladies & Mixed Netball Comps too!

SAWTELL TOORMINA NETBALL CLUB

Would like to thank you for giving us the opportunity to show you what our association is offering in 2024.

As small club, we are seeking the help from local community businesses to assist us with Sponsorship.

We have tailored our sponsorship program to enable companies to choose a level to suit them.

All our partnership packages include:

Advertising on our Facebook Page, Instagram & Digital Advertising on every training day.

Other packages include:

Promotional Flags which are displayed at every training, Senior, Junior & Mixed Competition days and nights!

This means every player and their parents are constantly viewing your business on a weekly basis.

All sponsorship funds are given directly back to our families in ways of being able to provide new and current Netball equipment.

Keeping fees affordable for all families & trying to keep our uniforms at cost price.
